Emotion, discovery and sharing

Radio Classique is a bi-media platform for Radio and Digital, offering a mixed programming, combining classical music and economic, general and cultural information.

The brand is adopting a bold strategy to combine, throughout the year of the day opening and accessibility, with elegance and simplicity.

- A rich audio program available live or in replay, hosted by renowned journalists (Dimitri Pavlenko, David Abiker, Guillaume Durand...) and the greatest performers, such as Rolando Villazón and Gautier Capuçon.

- A specific editorial offer on digital with +200 articles produced per month and native podcasts.
